

Are you interested in being part of a Competitive **Step Team**?

Are you starting school in grades 5, 6, 7, or 8?

Can you make it to a 4:30 after school practice in the Mary Lillard/Danny Jones area?

The Award Winning "Stealth Steppers" (composed of students from Mary Lillard last year) are stepping out from under the District umbrella and creating a **community-based Step Team** this year.

The team is made of the same members and coached by the same coach from last year. . . . we just have a different name!

In their very first year of competition, the team earned the following awards:

- * 2016 TSTA District Champions
- * 2016 TSTA State Champions
- * 2016 First Runner-Up to the National Title
